Dear customers - this year, together with our Christmas greetings, we would like to inform you of a new addition to our group of companies. From the beginning of the new year, we will be expanding our team with colleagues from Ralog GmbH, which will now operate as a branch of Spedition Luckas GmbH. As a result of this strengthened and future-oriented alignment, we will continue to be available to you as a trusted and reliable partner and support you during the current economic crisis.

We would like to take this opportunity to thank you for the close cooperation over the last few years. We look forward to future customer contact and hope to continue our promising business relationship.

We
wish a
Merry
Christmas
and a happy
successful new year.

We would like to thank
you for your trust and the
good cooperation
